

Classroom Management Modules: Train the Trainers

June 20, 2013

Green River Regional Educational Cooperative
230 Technology Way Bowling Green, KY 42101

The Classroom Management Modules: Train the Trainers session will provide an overview of research-based classroom management modules designed to enhance student behavior and instructional practices. Because scheduling and planning decisions will be made during training, any school planning to attend must bring an administrator and other staff members who will be responsible for providing training to teachers. A training binder with all training materials will be provided, and electronic copies of all materials will be available.

Audience: Training Team from each school including an administrator

Participants will:

- Receive an overview of research and modules
- Develop a plan for implementation
- Determine who will participate in training sessions
- Determine who will collect pre- and post-data
- Determine how peer coaching support will be offered
- Analyze available school data to determine which modules to offer first

Presenters: Dr. Kelly Davis, Kathy Maciel
